

Logwin receives gold medal in Poland

Grevenmacher (Luxembourg) – Logwin was awarded the gold medal of "Silesia Expo" for innovative services in the field of national distribution in Poland.

The logistics prize was awarded this year for the first time. The award was presented during the international transport and logistics fair "Logistex 2009", which was held in Sosnowiec near Katowice in southern Poland at the end of April. "We are delighted at this award", says Robert Müller, Managing Director at Logwin's business segment Road + Rail | Eastern Europe. "It is both confirmation and motivation. As a complete service provider we will continue to satisfy our customers with innovative solutions."

Logwin in Poland

Logwin has been present on the Polish market since 1992. The company currently operates 24 sites there with a total of 56,000 square meters of storage and logistics area, certified hazardous materials stores and bonded warehouses. Some 370 employees provide pan-European land transportation as well as worldwide sea freight transports and cross-border rail transportation. Logistical value-added services round off the solutions offered. Customers include companies from the automotive, fashion, wood and paper processing, chemicals and electronics industries.

About Logwin AG

As an external partner, Logwin AG, Grevenmacher (Luxembourg), develops a comprehensive range of logistics and service solutions for trade and industry. In 2008, the group generated sales of 2.0 billion euros and currently employs approximately 8,100 staff in 45 countries. Logwin operates in all main markets worldwide and has over 400 locations across all continents. With its three business segments Solutions (customer-oriented contract logistics), Air + Ocean (global air and ocean freight forwarding activities) and Road + Rail (land and special transportation activities in Central, Western and Eastern Europe), Logwin is one of the market leaders.

The business segment Road + Rail is the specialist within the Logwin Group for efficient transport logistics. Its networks in the core markets of Germany, Austria and Switzerland connect Western and Eastern Europe with regular, scheduled transports. This gives Road + Rail customers access to comprehensive forwarding, storage and value added services in road and rail transport. In addition to access to its network, Road + Rail also provides dedicated transport concepts for individual and special shipments such as regional transport, block trains or tank and silo logistics. The 3,300 Road + Rail employees at 140 locations in 24 European countries generated annual sales of around 840 million euros in 2008.

Logwin AG is listed in the Prime Standard of the Deutsche Börse. The majority shareholder is DELTON AG, Bad Homburg (Germany).
