

Closer to You: Logwin Air + Ocean Freight Solutions Now in Saudi Arabia

Grevenmacher (Luxembourg) / Riyadh (Saudi Arabia) – Logwin Air + Ocean is proud to announce the opening of its new office in Riyadh, Saudi Arabia, as of October 2025. The Saudi Government has launched massive investment programs. Based on the Vision 2030 which requires significant logistics activities. A modern infrastructure in Jeddah (Seaport) and Riyadh (Airport) opens multiple options of logistic activities.

Saudi Arabia is located at the crossroads of Europe, Asia and Africa, making it a natural logistics hub. Its proximity to major trade routes and markets enable efficient freight movements across the GCC, Africa and Asia.

This strategic expansion strengthens Logwin’s footprint in the Middle East and underscores its commitment to delivering tailored, reliable, and efficient logistics services worldwide.

With a comprehensive portfolio covering air freight, sea freight, road transportation and project logistics, Logwin ensures end-to-end solutions for customers across industries. The new Riyadh office aligns with Saudi Arabia’s growing demand for infrastructure development, energy projects, and international trade.

By combining local expertise with global reach, Logwin is well positioned to deliver flexible, cost-effective, and innovative solutions that meet the evolving needs of the Saudi market. The new office will serve as a gateway for businesses looking to expand their presence across the GCC and beyond.
