

Logwin Solutions Spain strengthens its position in the Spanish market with the acquisition of World Pack Express and Alpha Automotive Solutions

Grevenmacher (Luxembourg) / San Fernando de Henares (Spain) – Logwin Solutions Spain has acquired on December 20, 2024, the company World Pack Express, a leader in the transport and logistics sector, and the company Alpha Automotive Solutions, belonging to the World Pack Express group, and specializing in the automotive sector. Both companies are located in Barcelona.

With this acquisition, Logwin aims to benefit from the synergies generated by both companies, and to strengthen its competitive advantage in the Spanish market. It will also be able to expand its service offerings, access new markets, especially in the automotive and healthcare sectors, and have a strategic route network and greater fleet capacity to offer its customers a wider range of products and services.

“The synergies that we will create will be beneficial above all for our customers,” says Pierre Sampermans, Managing Director of Logwin Solutions Spain, “Their experience in sectors such as automotive and the offer of special services such as express parcel deliveries, last minute pick-ups, transport of bulky goods, etc., will complement our existing capabilities, allowing us to meet our customers’ demands more efficiently. We will also be able to expand our facilities and strengthen our presence in Catalonia.

About World Pack Express and Alpha Automotive Solutions.

World Pack Express, established in 2008 in Barcelona, offers a wide range of transport and logistics services such as express transport, parcels, national and international break bulk cargo, 24/7 service, airfreight and value-added logistics services.

Alpha Automotive was founded as part of the World Pack Express group in 2018 to focus on just-in-time services for the automotive industry. Its main customers are from the automotive sector and are specialists in door-to-door deliveries, with light vehicles. They have their own fleet of vans, for any express service, local, national and international, both import and export.
