

Logwin opens new air and sea freight offices in Bordeaux and Lyon, France

Close to our customers - Logwin in Lyon and Bordeaux

Grevenmacher (Luxemburg) – Logwin, a leading provider of logistics and freight solutions, is pleased to announce the opening of new offices in Bordeaux and Lyon. This expansion strengthens Logwin's presence in France and enables the company to further develop its air and ocean freight services in the French market. With these strategic locations, Logwin consolidates its position as an international logistics partner and offers its customers customized solutions for the global movement of goods.

The new offices in Bordeaux and Lyon offer comprehensive air and ocean freight solutions as well as a variety of additional services, including customs clearance, warehousing and supply chain management and "food and wine" solutions. This expansion will enable Logwin to meet the increasing demands and expectations of its customers while improving access to new markets.
