Logwin AG exceeds outlook for financial year 2018

Grevenmacher (Luxembourg) - Based on current, however preliminary information gained during the year end closing and subject to the audit by the Group Auditor and the approval of the Financial Statements by the Board of Directors and the Annual General Meeting, Logwin AG expects currently a significant improvement of EBITA, net result and of net cash flow. Previously, Logwin AG had expected a less significant increase. The improvements are mainly the result of the positive operating performance in the fourth quarter 2018. The EBITA of Logwin Group for the financial year 2018 is expected to be in excess of EUR 47m and the net result is expected to be in excess of EUR 37m.

The aforementioned key performance indicators (KPIs) are an integral part of Logwin Group's system of key figures and are described and defined in the section „Financial Performance Management“ of the management report of the annual financial report 2017 in line with the European Securities and Markets Authority's (ESMA) Guidelines on Alternative Performance Measures (APM) dated 5 October 2015.
